U.S. DISTRICT COURT
CLARKSBURG, WV 26301

v.

Criminal Action No. 1:07CR52

KEIR MICHAEL LENNON,
Defendant.

REPORT AND RECOMMENDATION/OPINION

This matter has been referred to the undersigned Magistrate Judge by the District Court for purposes of conducting proceedings pursuant to Federal Rule of Criminal Procedure 11. Defendant, Keir Michael Lennon, in person and by counsel, Thomas Dyer, appeared before me on July 24, 2007. The Government appeared by Zelda Wesley, its Assistant United States Attorney.

Thereupon, the Court proceeded with the Rule 11 proceeding by asking Defendant's counsel what Defendant's anticipated plea would be. Counsel responded that Defendant would enter a plea of "Guilty" to Count Two of the Indictment.

Thereupon, the Court proceeded with the Rule 11 proceeding by first placing Defendant under oath, and thereafter inquiring of Defendant concerning his understanding of his right to have an Article III Judge hear the entry of his guilty plea and his understanding of the difference between an Article III Judge and a Magistrate Judge. Defendant thereafter stated in open court that he voluntarily waived his right to have an Article III Judge hear his plea and voluntarily consented to the undersigned Magistrate Judge hearing his plea, and tendered to the Court a written Waiver of Article III Judge and Consent To Enter Guilty Plea Before Magistrate Judge, which waiver and consent was signed by Defendant and countersigned by Defendant's counsel and was concurred in by the signature of the Assistant United States Attorney appearing.

Upon consideration of the sworn testimony of Defendant, as well as the representations of her counsel and the representations of the Government, the Court finds that the oral and written waiver of Article III Judge and consent to enter guilty plea before a Magistrate Judge was freely and voluntarily given and the written waiver and consent was freely and voluntarily executed by Defendant, Keir Michael Lennon, only after having had his rights fully explained to him and having a full understanding of those rights through consultation with his counsel, as well as through questioning by the Court.

The Court **ORDERED** the written Waiver and Consent to Enter Guilty Plea before a Magistrate Judge filed and made part of the record.

The Court then determined that Defendant's plea was pursuant to a written plea agreement, and asked the Government to tender the original to the Court. The Court then asked counsel for the Government to summarize the written Plea Agreement. Counsel for Defendant stated that the Government's summary of the Plea Agreement was correct. The Court **ORDERED** the written Plea Agreement filed.

The undersigned then inquired of Defendant regarding his understanding of the written plea agreement. Defendant stated he understood the terms of the written plea agreement and also stated that it contained the whole of his agreement with the Government and no promises or representations were made to him by the Government other than those terms contained in the written plea agreement.

The undersigned then reviewed with Defendant Count Two of the Indictment, the statutory penalties applicable to an individual adjudicated guilty of the felony charge contained in Count Two of the Indictment, the impact of the sentencing guidelines on sentencing in general, and inquired of Defendant as to his competency to proceed with the plea hearing. From said review the undersigned

Magistrate Judge determined Defendant understood the nature of the charge pending against him and understood the possible statutory maximum sentence which could be imposed upon his conviction or adjudication of guilty on that charge was imprisonment for a term of not more than five (5) years; understood the maximum fine that could be imposed was \$250,000; understood that both fine and imprisonment could be imposed; understood he would be subject to a period of at least two (2) years of supervised release; and understood the Court would impose a special mandatory assessment of \$100.00 for the felony conviction payable on or before the date of sentencing. He also understood he might be required by the Court to pay the costs of his incarceration and supervised release.

Defendant also understood that his actual sentence could not be calculated until after a pre-sentence report was prepared and a sentencing hearing conducted.

The undersigned Magistrate Judge further examined Defendant relative to his knowledgeable and voluntary execution of the written plea bargain agreement dated June 13, 2007, and signed by him on June 15, 2007,¹ and determined the entry into said written plea bargain agreement was both knowledgeable and voluntary on the part of Defendant.

The undersigned Magistrate Judge further inquired of Defendant, his counsel, and the Government as to the non-binding recommendations and stipulation contained in the written plea bargain agreement and determined that Defendant understood, with respect to the plea bargain agreement and to Defendant's entry of a plea of guilty to the felony charge contained in Count Two

¹The Court notes that the Defendant's signature on the written plea agreement was dated July 15, 2007. This was determined to be an error on Defendant's part, however, which was corrected to June 15, 2007, during the hearing.

of the Indictment, the undersigned Magistrate Judge would write the subject Report and Recommendation and tender the same to the District Court Judge, and the undersigned would further order a pre-sentence investigation report be prepared by the probation officer attending the District Court, and only after the District Court had an opportunity to review the subject Report and Recommendation, as well as the pre-sentence investigation report, would the District Court make a determination as to whether to accept or reject Defendant's plea of guilty or any recommendation contained within the plea agreement or pre-sentence report.

The undersigned Magistrate Judge further addressed the stipulation contained in the written plea bargain agreement which provides:

Pursuant to Sections 6B1.4, 1B1.3 of the Guidelines, the parties hereby stipulate, and agree that the the [sic] defendant possessed with intent to distribute less than 250 grams of marijuana.

The undersigned then advised Defendant, counsel for Defendant, and counsel for the United States, and determined that the same understood that the Court is not bound by the above stipulation and is not required to accept the above stipulation, and that should the Court not accept the above stipulation, Defendant would not have the right to withdraw his plea of Guilty to Count Two of the Indictment.

The undersigned Magistrate Judge further advised Defendant, in accord with Federal Rule of Criminal Procedure 11, in the event the District Court Judge rejected Defendant's plea of guilty, Defendant would be permitted to withdraw his plea and proceed to trial. However, Defendant was further advised if the District Court Judge accepted his plea of guilty to the felony charge contained in Count Two of the Indictment, Defendant would not be permitted to withdraw his guilty plea even if the Judge refused to follow the non-binding recommendations and stipulation contained in the

written plea agreement and/or sentenced him to a sentence which was different from that which he expected. Defendant and his counsel acknowledged their understanding and Defendant maintained his desire to have his plea of guilty accepted.

The undersigned Magistrate Judge further examined Defendant with regard to his understanding of the impact of his conditional waiver of his appellate rights as contained in the written plea agreement, and determined he understood those rights and voluntarily gave them up pursuant to the stated condition as part of the written plea agreement.

The undersigned Magistrate Judge further cautioned and examined Defendant under oath concerning all matters mentioned in Rule 11.

The undersigned then reviewed with Defendant Count Two of the Indictment, including the elements the United States would have to prove at trial, charging him with possession with intent to distribute marijuana, in violation of Title 21, United States Code, Sections 841(a)(1) and 841(b)(1)(D).

The Court then received the sworn testimony of Deputy Tim Ankrom , who testified he is an officer with the Harrison County Sheriff's Department currently assigned to the Harrison/Lewis County Drug and Violent Crimes Task Force. He was involved in the investigation of Defendant. On February 23, 2007, a confidential informant called Deputy Ankrom and advised he had received a call from an individual wanting to travel to Ohio to obtain marijuana. As a result of the confidential informant's call, an inspection of the informant's vehicle was performed in the same manner as a pre-buy procedure and a GPS tracking device was attached to the confidential informant's car. The confidential informant picked up Mr. Lennon and they drove to Youngstown, Ohio, where Mr. Lennon bought some marijuana and a little bit of crack cocaine. The confidential

informant and Mr. Lennon then drove back to West Virginia where they were stopped in Bridgeport, West Virginia. The marijuana was located under the driver's seat of the confidential informant's car. The marijuana was tested and weighed out to 161.9 grams of marijuana.

Defendant then testified that he heard, understood, and agreed with Deputy Ankrom's testimony. Thereupon, Defendant, Keir Michael Lennon, with the consent of his counsel, Thomas Dyer, proceeded to enter a verbal plea of **GUILTY** to the felony charge contained in Count Two of the Indictment. Defendant then testified he believed he was guilty of the offense charged in Count Two of the Indictment because he went up to Youngstown, Ohio to buy some marijuana and bring it back to West Virginia to sell.

The undersigned United States Magistrate Judge concludes the offense charged in Count Two of the Indictment is supported by an independent basis in fact concerning each of the essential elements of such offense. This conclusion is supported by Deputy Ankrom's testimony as well as the Defendant's allocution.

Upon consideration of all of the above, the undersigned Magistrate Judge finds that Defendant is fully competent and capable of entering an informed plea; Defendant is aware of and understood his right to have an Article III Judge hear his plea and elected to voluntarily consent to the undersigned United States Magistrate Judge hearing his plea; Defendant understood the charges against him, not only as to the Indictment as a whole, but in particular as to Count Two of the Indictment; Defendant understood the consequences of his plea of guilty; Defendant made a knowing and voluntary plea; and Defendant's plea is supported by the testimony of Deputy Ankrom as well as Defendant's allocution.

The undersigned concludes that Defendant's guilty plea is knowledgeable and voluntary as to the charge contained in Count Two of the Indictment. The undersigned also concludes that an independent basis in fact supports the plea and therefore recommends Defendant's plea of guilty to the felony charge contained Count Two of the Indictment herein be accepted conditioned upon the Court's receipt and review of this Report and Recommendation and a Pre-Sentence Investigation Report, and that the Defendant be adjudged guilty on said charge as contained in Count Two of the Indictment and have sentence imposed accordingly.

The undersigned further directs that a pre-sentence investigation report be prepared by the adult probation officer assigned to this case.
